PROFESSIONAL ENGINEERS REGISTRATION BOARD

REQUEST FOR PROPOSAL
For
Design and Development of a Website

Institution:	Professional Engineers Registration Board
Identification # of the RFP:	RFP01
Project:	Design and Development of a Website
Scope:	Review the current website, make recommendations as to the way forward, design/redesign and develop PERB's website to improve communication with its stakeholders, streamline the registration process by offering online registration, make payments easier by offering online payments solutions.
Procurement Method:	National Competitive Bidding
Bid Validity Period:	90 calendar days after the bid submission deadline

The Professional Engineers Registration Board now invites eligible consulting firms (consultants) to submit technical and financial proposals to undertake the design and development of its website. The main object of the consultancy is to review the current website, make recommendations as to the way forward, design/redesign and develop PERB's website to improve communication with its stakeholders, streamline the registration process by offering online registration and make payments easier by offering online payments solutions.

This is a physical tender process where tenders will only be accepted in hard copies via tender box that will be made available at the address listed below. Firms may associate in the form of a joint venture (JV).

To participate in this tender opportunity, suppliers must first request the bidding document from **perbprocurement@gmail.com.**

The deadline for submission of Proposals is **3:00 p.m. Jamaica time on Tuesday September 24, 2019.** Late Proposals will be rejected. The selection method is Quality and Cost Based Selection.

Late Proposals will be rejected.

A valid Tax Compliance Letter (TCL)/Tax Compliance Certificate (TCC) from the Tax Administration Jamaica (TAJ) must be submitted with the Proposal.
