REQUEST FOR EXPRESSIONS OF INTEREST

CONSULTING FIRM – TO PROVIDE THE DETAILS OF THE RECIRCULATING AQUACULTURE SYSTEM, OVERSEE THE IMPLEMENTATION AND COMMISSIONING OF THE SYSTEM

COUNTRY: JAMAICA
PROJECT NAME: PROMOTING COMMUNITY-BASED CLIMATE RESILIENCE IN THE FISHERIES SECTOR PROJECT
LOAN/CREDIT/: TF0A6559
GRANT No.:
REFERENCE NO: JM-MICAF-294929-CS-CQS

The Government of Jamaica (GOJ) has received financing from the World Bank towards the cost of the Promoting Community-Based Climate Resilience in the Fisheries Sector Project, and intends to apply part of the proceeds for consulting services.

The objective of the assignment is to provide the full specifications for the Recirculating Aquaculture System (RAS) with details of the layout (to include aeration and water treatment system and also plumbing details). A complete list of equipment with full specifications required by the RAS for a fully installed and working RAS capable of producing 5 million advance fry per year, a training manual and provision of training to staff to operate the system to meet its goals, collaborate on the development of a mitigation plan for possible negative impacts of the system, and a brood stock upgrading plan.The consultancy will have a duration of seven (7) months.

The Ministry Agriculture and Fisheries now invites eligible consulting firms to indicate their interest in providing the Services. Interested firms should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

i. The firm should have a minimum of five (5) years of experience in working with commercial Recirculating Aquaculture Systems.
ii. The firm should have specific experience in working with Tilapia RAS, using trickle filters.
iii. The firm should have experience in Tilapia Brood stock and Hatchery operations.
iv. The firm should have experience of at least two (2) assignments in Small Island Developing States, with specific experience in the Caribbean region is highly desirable.
v. The Firm should have the demonstrated organizational capacity to provide technical and management support to the project.

The attention of interested Firms is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" July 2016, Revised November 2017 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

A firm will be selected in accordance with the Consultant's Qualification Selection method set out in the World Bank's Procurement Regulations IPF Borrowers.

Expressions of interest must be submitted by email to **andrew.darnells@moa.gov.jm** on or before **June 29, 2022.** Further information can be obtained at the address below:
