

NOTICE

REGISTRATION AND TRAINING AVAILABLE FOR USE OF THE GOVERNMENT OF JAMAICA ELECTRONIC PROCUREMENT SYSTEM SUPPLIERS OF GOODS, SERVICES AND WORKS

In keeping with the Government's commitment to strengthen and promote Public Procurement, the Ministry of Finance and the Public Service (MoFPS), Procurement and Asset Policy Unit (PAPU) is on a drive to expand the use of the Government of Jamaica Electronic Procurement System (GOJEP) to its suppliers of goods, services and works. This is keeping with the commitment of the Government to have all procurement opportunities published and managed through GOJEP by 2018.

Suppliers are being urged to register their businesses in GOJEP and take advantage of the free training sessions facilitated by the Ministry of Finance and the Public Service on the use of the system. Please note that the Ministry will be undertaking a series of sessions in the Western region for the period **September 2017**.

The first session will be conducted on Friday September 15, 2017 between 10 a.m. and 4 p.m. For confirmation and registration please contact the Ministry of Finance and the Public Service, Procurement and Asset Policy Unit.

Registration is easy, simply download and read the user manuals, accessible from the user manuals link on the homepage: at www.gojep.gov.jm.

For additional information, please contact the Public Procurement Customer Care Help Desk at: (876) 932-5220/932-5251/932-5253 or by sending an email to: papucustomer@mf.gov.jm

GOJEP – using technology as a tool to increase transparency, competition and efficiency enabling an easy way of doing business with the Government of Jamaica.

ELJ2017-ES001 PROVISION OF TABLETS AND SERVICES FOR e-LEARNING PROJECT IN SCHOOLS

e-Learning Jamaica Company Limited (e-LJam), an Agency of the Ministry of Science, Energy and Technology (MSET), is a limited liability company established to manage e-Learning projects in collaboration with Government Ministries, Departments and Agencies. The projects are funded by the Universal Service Fund. The first project was implemented in partnership with the Ministry of Education, Youth and Information (MOEYI) and focused on enhancing Jamaica's high schools and teachers' colleges, by providing digital content for CXC subjects, audiovisual and computing technology, and training teachers and lecturers in Basic ICT as well as the integration of technology in instructional delivery.

e-LJam and the MOEYI are now focusing on the pre-primary and primary schools across the island to implement a Tablet in Schools project (TIS), utilising tablet devices and other supporting technology to enhance the teaching and learning process. The project is again being funded by the Universal Service Fund.

The TIS project will be commencing **September 2017**, and e-LJam is seeking suitably qualified partners to supply and support approximately 91,000 tablets with associated charging/ syncing carts, syncing software and services in up to 1,100 education institutions over an 11 year period.

REQUIREMENTS (Summary)

- Tablets should be minimum 8-10 inches in screen size with high resolution displays with capacitive type touch technology and smart protective cases
- Tablets should be robust, available in standard and child coloured versions and accommodate custom labeling to help with identification and security warnings
- Charging/ syncing carts for storage, recharging and refreshing content of the tablets
- Syncing software for carts and tablets, compatible with computer running windows 10
- Staging, delivery, warranty and support services

See the **Request for Proposal** available from web address below, for detailed requirements
