REQUEST FOR EXPRESSIONS OF INTEREST

CONSULTANT TO PROVIDE ADVISORY SERVICES (FIRM)

COUNTRY: Jamaica
NAME OF PROJECT: Improving Climate Data & Information Management Project
GRANT NO.: TF0A0433
COMPONENT: Upgrading Hydro-Meteorological Data Collection, Processing and Forecasting System 2016/PPCR/Q2/01
BID NO.:
SELECTION METHOD: Consultants' Qualification

The Government of Jamaica (GOJ) has received a grant through the World Bank (WB) under the Pilot Programme for Climate Resilience (PPCR) toward the cost of implementing the Improving Climate Data and Information Management Project (ICDIMP). A portion of the proceeds of this grant will be for consulting services.

The objectives of this consultancy are:

- To develop detailed technical specifications for a Doppler Weather Radar to replace the existing S-band weather radar system currently being managed by the Meteorological Services of Jamaica (MSJ).
- To identify the training needs of the staff of the MSJ for operating and maintaining the radar.
- To identify the current gaps in the forecasting processes and make recommendations for improving and streamlining these processes.
- To develop a business plan for the production of meteorological and climate information services and dissemination to end users.
- To develop a training programme for the MSJ, Water Resources Authority (WRA), and Rural Agricultural Development Authority (RADA) based on the outcomes of c and d above, and in the use of weather radar data and products for forecasting and hydrologic applications.

The consultancy will have duration of 100 effective working days over a period of two years.

The Planning Institute of Jamaica now invites eligible firms to indicate their interest in providing the consultancy services. Interested Consultant Firms should provide information demonstrating the required qualifications and relevant experience to perform the services (description of similar assignments undertaken). The selection criteria are:

- Experience in radar technology, radar meteorology methodologies and tools.
- Experience in the Hydro-met sector as demonstrated through similar assignments especially in Caribbean countries.
- Technical and managerial organization of the firm. (Provide only the structure of the organization, general qualifications and number of key staff. Do not provide CV of staff.)

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's Guidelines: Selection and Employment of Consultants [under IBRD Loans and IDA Credits & Grants] by World Bank Borrowers dated January 2011 revised July 2014 ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications.

The Firm will be selected in accordance with the Consultants' qualifications method set out in the Consultant Guidelines. Further information, including the terms of reference may be obtained by sending an email to ljohnson@pioj.gov.jm or fax (906-4465) or mail to the address below.

Expressions of interest along with the firm's registration certificate (for local firm only) must be delivered in writing to the address below, or by mail, fax, or e-mail no later **April 26, 2016 @ 5:00PM:**
