Short Term Consultancy – Request for Proposals

CONSULTING SERVICES – Preparation of New Regulations and Tariff Options for Renewable Energy and Alternative Energy Sources

The Government of Jamaica (GOJ) has received financing from the International Bank for Reconstruction and Development (IBRD) towards the cost of the Energy Security and Efficiency Enhancement Project (ESEEP). This project is being implemented by the Ministry of Science, Energy and Technology (MSET), the executing agency, in collaboration with several other state implementing partners.

In keeping with the objective of improving the country's energy independence and increasing renewable and clean energy penetration in Jamaica, the MSET intends to apply part of the proceeds of the loan funds towards payments under a contract for the preparation of New Regulations and Tariff Options for Renewable Energy and Alternative Energy Sources.

The MSET now invites proposals to provide the following consulting services: **Preparation of New Regulations and Tariff Options for Renewable Energy and Alternative Energy Sources.**

Details on the services are provided in the **Request for Proposals, available on our website at www.mset.gov.jm** using the link <http://mset.gov.jm/tenders-esEEP>.

Proposals should be submitted to the address as seen below by **3:00 p.m. EST on Monday, May 22, 2017.**
