XII ANNUAL INTER-AMERICAN NETWORK ON GOVERNMENT PROCUREMENT CONFERENCE NOVEMBER 29-30, 2016

The Ministry of Finance and the Public Service in collaboration with the Organization of American States (OAS), as Technical Secretariat of the Inter-American Network on Government Procurement (INGP), invites you to participate in the **XII Annual Inter-American Network on Government Procurement (INGP) Conference, to be held at the Montego Bay Convention Centre from November 29-30, 2016, under the theme "Public Procurement: A Tool for Economic Development"**.

The INGP is a group composed of governmental institutions, represented by the national directors of the thirty-four countries of Latin America and the Caribbean who, at the national level, have the ultimate responsibility regarding the regulation, management and modernization of government procurement; as well as institutions that provide institutional and financial support such as the Organization of American States (OAS), the Inter-American Development Bank (IDB) and the International Development Research Center (IDRC).

The XII Annual Conference will provide an important opportunity for dialogue and dissemination of information on advances in public procurement in the Americas as well as a chance for INGP members to discuss the activities that were carried out during the 2015-2016 period.

The aim of the INGP is to strengthen the capacity of each country in order to increase efficiency and transparency in government procurement; generate and maintain spaces for reflection, mutual understanding, solidarity, technical cooperation, training and exchange of experiences between the institutions of the Network, in order to help strengthen government procurement practices in the region and to build links between governments, civil society organizations related to government procurement and international agencies.

Objectives

The Annual Conference will:

- Outline activities that are needed to strengthen public procurement in the region;
- Highlight the issues affecting Medium, Small and Micro Enterprises (MSMEs) as it regards to public procurement in the region;
- Provide an avenue for networking for both private and public sector interests;
- Enable the exchange of experiences and lessons learned among countries of the Latin America and Caribbean region.
- Promote development in areas of common interests and forge working alliance between procurement Networks.
- Allow for the presentation and review of current regional initiatives aimed at supporting Caribbean countries in their modernization.

Benefits

To provide procurement stakeholders the opportunity to participate in the analysis of lessons learned and best practices from leading institutions, and strengthen their capacity to define strategies and implement programmes/projects that will modernize public procurement in a sustainable manner.

Organization and Sponsorship

The XII Annual INGP Conference is being hosted and organized by the Government of Jamaica, Ministry of Finance and the Public Service with the technical support of the Organization of American States INGP Secretariat and through the kind sponsorship of the Inter-American Development Bank, Caribbean Development Bank, National Works Agency, PetroCaribe Development Fund and the Strategic Public Sector Transformation Project.
