

THE PORT AUTHORITY OF JAMAICA DESIGN & BUILD OF STEEL FRAME STRUCTURES FOR THE PORTMORE BPO COMPLEX

INVITATION TO PRE-QUALIFY

The Government of Jamaica through the Port Authority of Jamaica will be undertaking the development of a **Business Process Outsourcing (BPO) Complex** consisting of five multi-storey buildings on lands located at the Portmore Town Centre, St. Catherine, Jamaica. Four of these buildings with a cumulative area of 147,000 square feet are to be designed and constructed while the other already exists.

The works involve the design, fabrication, supply and erection of three two storey steel frame building structures or shells and one six storey steel frame building structure or shell, consistent with design concept to include provision for electrical/mechanical, communication works and other related services.

A pre-qualification evaluation will be carried out to identify suitably qualified and experienced entities who have satisfied the requirements of having carried out works of similar complexity and size.

Invitation to tender will be issued directly to the entities that have attained the minimum pass score immediately after the completion of the prequalification evaluation.

Eligibility Criteria

Interested firms must provide the information stated in the questionnaire establishing that they are qualified to perform the above works.

Successful applicants must have completed works similar to those contemplated within the last **5 years** and have suitably qualified and experienced key personnel.

Availability of Pre-Qualification Documents:

Pre-Qualification Documents will be available from the **February 8, 2016 - February 19, 2016** or by e-mail from **8:30 a.m. to 4:30 p.m.**
