SPECTRUM MANAGEMENT AUTHORITY

Request For Information (RFI) REQUEST FOR INFORMATION – ENERGY EFFICIENCY AND ALTERNATIVE ENERGY SOLUTIONS

Spectrum Management Authority invites suitably qualified, professional entities operating and duly registered with the respective local professional bodies in Jamaica in keeping with the GOJ Procurement Guidelines to provide information in respect of the abovementioned project.

Background

The Spectrum Management Authority (SMA) is an agency of the Ministry of Science, Technology, Energy and Mining (MSTEM) with responsibility for regulating and managing the radio frequency spectrum (a range of frequencies used for wireless communication) in Jamaica.

In carrying out its mandate, the Authority ensures a relatively interference free spectrum for licensed users, the consistent application of equitable fees, and ensures that spectrum is available for new technologies.

In keeping with the Government of Jamaica's National Energy Policy 2009 – 2030 (NEP), which aims at energy efficiency improvement and energy diversification to obtain high-quality, affordable, environmentally friendly energy and to reduce the country's dependence on high-cost imported oil, the SMA seeks to procure an alternative energy solution for its Head Office at 13-19 Harbour Street, Kingston, Jamaica.

Purpose of the RFI

The purpose of this RFI is to obtain input, gather knowledge, new ideas, best practices and information from the vendor community for the potential procurement of products or services related to energy efficiency, including but not limited to alternative energy solutions inclusive of wind, heat and/or bio-fuels. Information gathered from this RFI will assist the SMA in its continued development of energy efficiency strategies, programs and capital improvement projects that incorporate alternative energy elements consistent with the GOJ National Energy Policy. The responses to the RFI will assist the SMA in its preparation of future Requests for Proposal (RFP's) and subsequent contracts.

Submission Details

Interested Firms/Entities/persons are to indicate their interest by providing information in the format requested. The RFI document may be downloaded from the Authority's website at <http://www.sma.gov.jm> as at **Wednesday, 2015 December 23.**

Submissions for the Request for Information shall be addressed and clearly labelled:

REQUEST FOR INFORMATION (RFI) RFI-SMA-APS-001/2015 ENERGY EFFICIENCY AND ALTERNATIVE ENERGY SOLUTIONS

The RFI may be emailed to procurement@sma.gov.jm or hand delivered to Spectrum Management Authority, 13-19 Harbour Street, Kingston no later than **Wednesday, 2016 January 27 at 3:00 p.m.** For further information, contact:
