

MINISTRY OF NATIONAL SECURITY

EXPRESSIONS OF INTEREST

119 Emergency Call Taking Service

The Government of Jamaica (GoJ), through the Jamaica Constabulary Force, currently provides part of the National Emergency Response Service to citizens by way of the 119 call taking service. The 119 service operates from five (5) centres islandwide. The GoJ intends to expand and upgrade that service to a Public Safety Answering Point (PSAP) that will answer all calls from citizens experiencing an emergency that requires a response from the Police, Fire and other Emergency Services.

The proposed PSAP will provide the following services:

1. The answering of all 119 emergency calls or any number designated as such by the Office of Utilities Regulation (OUR).
2. The hiring and management of all staff required to maintain the agreed standards of service.
3. The routing of all emergency calls to the appropriate first responder dispatcher.
4. The routing of all non-emergency calls to an appropriate call taker for handling.

The Ministry now invites interested entities to submit Expressions of Interest (EOI) to offer this service. Applicants are to submit a Statement of Capability, which should include information on technical competence, experience and qualification. The EOI should also include information regarding a general approach for the provision of such services. Service providers may collaborate with other firms to enhance their qualifications.

Information gained from responses to this EOI is intended to be used in the development of a subsequent Request for Proposal (RFP). The service provider will be selected in accordance with the procedures set out in the GoJ Handbook of Public Sector Procurement Procedures, March 2014.

A response to this EOI is not a prerequisite for participation in any subsequent RFP or bid opportunity. Responders will be appropriately informed of such an opportunity as soon as it becomes available. Additionally, the RFP will require that bidders submit a valid Tax Compliance Letter (TCL) or a valid Tax Compliance Certificate (TCC) and be registered with the National Contracts Commission (NCC) in the category of Information Technology Services.

Interested service providers seeking further information and/or clarification regarding the EOI should send an email to procurement@mns.gov.jm; fax to 906-6807 or mail to the address below. Request for further information and/or clarification must be sent no less than five (5) days before the final submission date for the EOI between the hours of 8:30 a.m. and 5:00 p.m., Mondays to Thursdays and 8:30 a.m. to 4:00 p.m. on Fridays.

Expressions of Interest must be delivered to the address below in the tender box no later than Wednesday, March 16, 2016 at 3:00 p.m. in a sealed envelope clearly marked:

"Expression of Interest (EOI): 119 Emergency Call Taking Service"
