The purpose of a valid TRN in GOJEP is to:

- Facilitate the integration of the e-Tendering (GOJEP) System with Supplier's information in the Government's National Contracts Commission (NCC) registration system using the supplier's TRN as shared identifier between both systems.

To update your organisation's TRN and Tax Compliance data in the e-Tendering system, Supplier Admin Users must execute the following steps:

 - Tax eligibility information for your organization will print on the Tender Opening Reports generated by the system;
 - The system will send you an email reminder, fourteen (14) days prior to the expiration of your organization's tax compliance status. Upon the expiration and renewal of your TCC, please ensure same is updated in the system by following the above steps.
