Update of Jamaican Taxation Registration Number (TRN) and Tax Compliance Information for participation in GOJ tender opportunities via the Electronic Procurement System:

All suppliers that have a Jamaican based Taxation Registration Number (TRN) are being asked to validate their (TRN) and Tax Compliance Certificate (TCC) information on the Government of Jamaica Electronic Government Procurement System (GOJEP).

The purpose of a valid TRN in GOJEP is to:

- I. Verify Supplier's details;
- II. Allow for retrieval of Tax Compliance information for Supplier and;
- III. Facilitate the integration of the e-Tendering (GOJEP) System with Supplier's information in the Government's National Contracts Commission (NCC) registration system using the supplier's TRN as shared identifier between both systems.

To update your organisation's TRN and Tax Compliance data in the e-Tendering system, Supplier Admin Users must execute the following steps:

- I. Login to the system (www.gojep.gov.jm);

 - b. Tax eligibility information for your organisation will print on the Tender Opening Reports generated by the system;

REQUEST FOR PROPOSALS (RFP)

THE PROVISION OF CONSULTANCY SERVICES FOR THE DESIGN OF A MANGO HOT WATER TREATMENT PLANT AT NORMAN MANLEY INTERNATIONAL AIRPORT

The Ministry of Industry, Commerce, Agriculture and Fisheries (MICAF), through the Plant Quarantine Branch (PQB) in collaboration with the Agricultural Competitiveness Programme Bridging Project (ACBPB), has embarked on an initiative to influence and fast-track the return of **Jamaican mangoes** to the European Union (EU) market as well as to gain entry to the United States (US) export market. The facility will also be used to process other soft fruits intended to be exported primarily to the European and United States markets.

A critical element of this is to facilitate and initiate the setting up of a modular Hot Water Treatment Facility at the Export Complex, Norman Manley International Airport, Kingston, Jamaica. This would treat shipments intended for the EU market, though it would be constructed with the capability to meet the requirements of the US market as well.

Bidding will be conducted through Quality Cost Based Selection (QCBS) Procedure as specified in Volume 3 of the Government of Jamaica Handbook of Public Sector Procurement Procedures for the procurement of Consulting Services.

Firms must submit a valid Tax Compliance Certificate (TCC) for companies based in Jamaica. Overseas-based companies must submit a valid TCC upon contract award. Bidding documents will be made available on the Ministry of Industry, Commerce Agriculture and Fisheries' website at www.micaf.gov.jm as of **Monday, December 10, 2018**. Further information may be obtained from the Agricultural Competitiveness Programme at email acbpbexecsec@micaf.gov.jm

Bid Validity Period: 90 days.

This is an online tender procedure and Request for Proposals will only be accepted via the Electronic Government Procurement Portal (www.gojep.gov.jm). No offline (hard copies) will be accepted and there will be no physical tender drop box for drop-off of tender documents. For assistance in regard to registration, training, access to tender document and upload of bid proposals, please contact the Ministry of Finance and the Public Service Procurement and Asset Policy Unit Customer Service Desk at: 876-932-5220, 876-932-5253 or 876-932-5246.

Bids will be opened at **10:15 a.m. on January 11, 2019.**
