Update of Jamaican Taxation Registration Number (TRN) and Tax Compliance Information for participation in GOJ tender opportunities via the Electronic Procurement System:

All suppliers that have a Jamaican based Taxation Registration Number (TRN) are being asked to validate their (TRN) and Tax Compliance Certificate (TCC) information on the Government of Jamaica Electronic Government Procurement System (GOJEP).

The purpose of a valid TRN in GOJEP is to:

- I. Verify Supplier's details;
- II. Allow for retrieval of Tax Compliance information for Supplier and;
- III. Facilitate the integration of the e-Tendering (GOJEP) System with Supplier's information in the Government's National Contracts Commission (NCC) registration system using the supplier's TRN as shared identifier between both systems.

To update your organisation's TRN and Tax Compliance data in the e-Tendering system, Supplier Admin Users must execute the following steps:

- I. Login to the system (www.gojep.gov.jm);
- II. Select the Supplier management link (under the Supplier Administration section on the left);
- III. Select the Edit organisation link/button;
- IV. For the Taxation Registration Number (TRN): prompt – Enter your organisation's nine (9) digit TRN (no space or dashes). See TRN rules below;
- V. For the Taxation Compliance Reference (TCC) # prompt – Enter the last TCC# issued to your organisation by the Tax Administration Jamaica (TAJ), if one was issued. By completing this task:
 - a. Your organisation's Taxation Compliance Expiration Date information will be retrieved from the TAJ Taxation system and displayed on your organisation's record in GOJEP;
 - b. Tax eligibility information for your organisation will print on the Tender Opening Reports generated by the system;
 - c. The system will send you an email reminder, fourteen (14) days prior to the expiration of your organisation's tax compliance status. Upon the expiration and renewal of your TCC, please ensure same is updated in the system by following the above steps.
