Bulletin #1/2019

Update of Jamaican Taxation Registration Number (TRN) and Tax Compliance Information for participation in GOJ tender opportunities via the Electronic Procurement System:

All suppliers that have a Jamaican based Taxation Registration Number (TRN) are being asked to validate their TRN and Tax Compliance information (TCC/TCL) on the Government of Jamaica Electronic Government Procurement (GOJEP) System.

The purpose of a valid TRN in GOJEP is to:

- I. Verify supplier's details;
- II. Allow for retrieval of Tax Compliance information for Supplier and;
- III. Facilitate the integration of the e-Tendering (GOJEP) System with Supplier's information in the Government's National Contract Commission (NCC) registration system using the suppliers TRN as shared identifier between both systems.

To update your Organization's TRN and Tax Compliance data in the e-Tendering system, Supplier Admin Users must execute the following steps:

- I. Log in to the System (www.gojep.gov.jm);
- II. Select the Supplier management link (under the Supplier Administration section on the left);
- III. Select the Edit organisation link/button;
- IV. For the Taxation Registration Number (TRN) prompt – Enter your organization's nine (9) digit TRN (no space or dashes). See TRN rules below;
- V. For the Taxation Compliance Reference (TCC/TCL) # prompt – Enter the last TCC# issued to your Organization by the Tax Administration Jamaica (TAJ), if one was issued. By completing this task:
 - a. Your Organization's Taxation Compliance Expiration Date information will be retrieved from the TAJ Taxation system and displayed on your Organization's record in GOJEP;
 - b. Tax eligibility information for your Organization will print on the Tender Opening Reports generated by the system;
 - c. The System will send you an email reminder, fourteen (14) days prior to the expiration of your Organization's tax compliance status. Upon the expiration and renewal of your Tax Compliance, please ensure same is updated in the system by following the above steps.
