Update of Jamaican Taxation Registration Number (TRN) and Tax Compliance Information for participation in GOJ tender opportunities via the Electronic Procurement System:

All suppliers that have a Jamaican based Taxation Registration Number (TRN) are being asked to validate their TRN and Tax Compliance information (TCC/TCL) on the Government of Jamaica Electronic Government Procurement (GOJEP) System.

The purpose of a valid TRN in GOJEP is to:

- I. Verify supplier's details;
- II. Allow for retrieval of Tax Compliance information for Supplier and;
- III. Facilitate the integration of the e-Tendering (GOJEP) System with Supplier's information in the Government's National Contract Commission (NCC) registration system using the suppliers TRN as shared identifier between both systems.

To update your Organization's TRN and Tax Compliance data in the e-Tendering system, Supplier Admin Users must execute the following steps:

- II. Select the Supplier management link (under the Supplier Administration section on the left);

 - b. Tax eligibility information for your Organization will print on the Tender Opening Reports generated by the system;
