Loan/Credit/Grant No.: JA-G1001
Contract/Bid No.: GRT-FM-14607-JA
Deadline: 24 March 2020

General Procurement notice advertised for this project published in Development Business Online, edition No. IDB508-04/15 of 23-04-2015.

The Government of Jamaica through the Inter-American Development Bank (IDB) has received financing from the Global Environment Facility (GEF) and it intends to apply part of the proceeds to payments under the Integrated Management of Yallahs and Hope River Watershed Management Areas Project, for the engagement of an **Individual Consultant** to analyse the extent to which the project achieved the objectives stipulated under the three project components, what problems or challenges were encountered, and what corrective actions were required. The FE is expected to assess operational aspects, such as project management and implementation of project activities towards achieving the objectives. The evaluation will also assess project performance to date (in terms of relevance, effectiveness and efficiency), and determine the likelihood of the project achieving its intended outcomes and impacts, and the implementation of planned project activities and planned outputs against actual results and the reason for variances if any.

The National Environment & Planning Agency (NEPA), the executing agency for the project, now invites eligible individual consultants ("Consultants") to indicate their interest in undertaking the **Final Evaluation of the Integrated Management of the Yallahs and Hope River Watershed Management Areas Project.**

This procurement process requires bidders to have, but not limited to, the following specific experience and/or capabilities:

Postgraduate degree in Natural Resource Management, Forestry, Environmental Sciences, or Environmental Management from recognized tertiary educational institution(s). Technical experience in Natural Resource Management, Forestry, Environmental Sciences, or Environmental Management projects and policy. Demonstrated experience in evaluations of internationally funded projects. Demonstrated experience in conducting programmatic reviews, evaluations or similar assignments in the last two years.

The shortlist may comprise national and international consultants.

Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. Submission should include Curricula Vitae to show experiences and qualifications. A valid Tax Compliance Certificate (TCC) or Tax Compliance Letter (TCL) from the Tax Administration Jamaica (TAJ) should also be submitted:

- At CV submission for local Consultants; and
- At contract signing for international Consultants.

The delivery period is six (6) weeks over a three (3) months period after the engagement of the consultancy.

An Individual Consultant will be selected in accordance with the comparison of at least three (3) Curricula Vitae (CVs) procurement methodology as specified in the Inter-American Development Bank's Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank (GN-2350-9), and is open to all eligible bidders as defined in the policies.

Consultants may not associate with other Consultants in the form of a joint venture or a sub-consultancy to enhance their qualifications. For the purpose of establishing the shortlist, the nationality of the Consultant must be from that of the Bank's member country.
