**Development Bank
of Jamaica Limited**
Facilitating Economic Growth & Development

EXPRESSIONS OF INTEREST

DEVELOPMENT IMPACT ASSESSMENT CONSULTANTS

The Development Bank of Jamaica (DBJ) seeks to identify qualified Consultants to conduct a Development Impact Assessment of the Public-Private Partnership (PPP) and Privatisation programme for the Bank. The primary objective of this programme is to enable and secure private sector investment and participation in the Jamaican economy through the ownership, expansion or operation of state-owned assets/enterprises and the provision of public infrastructure and services.

The objectives of this assignment are to:

- I. Demonstrate the extent to which private sector ownership and management of divested assets or concessionaires via a PPP arrangement have improved the performance of the entities and increased their contribution to economic growth
- II. Demonstrate quantitatively and qualitatively the nature and impact of the private sector investment after privatisation on social infrastructure most likely to contribute increased competitiveness and productivity
- III. Demonstrate the extent to which actual PPP and Privatisation transactions have contributed to the Government's debt reduction strategy, provided savings to the Government.

The main responsibilities of the Consultant will be:

- To conduct a census of all Privatisation and PPP projects from **April 1, 2009 to March 31, 2019**.
- Assess DBJ's economic impact from the Privatisation and PPP projects

MINIMUM REQUIREMENTS

The consultant submitting proposals should meet the following criteria:

- Research Company with at least '5' qualified Research Technicians
- Minimum MSc in Statistics, Economics, or related Social Sciences fields
- Minimum five (5) years' experience creating and or facilitating market research
- Strong oral and written communication skills in English
- Strong project management skills with proven experience
- Strong research and analytical skills
- Experience in Privatisation and Public-Private Partnerships is an asset

The DBJ invites interested consultants to submit their résumés/profiles to demonstrate their experience/expertise in development impact assessment activities for both public and private sector organizations.

Please submit proposals in soft copies no later than **3:00 p.m. on Friday, April 24, 2020**, to the email address: **ssdprocurement@dbankjm.com**. The subject line should read "Professional Profile for Development Impact Assessment Consultant"; each file size should not exceed 8 mb. Late submissions will not be accepted.

Jamaica Business Development Corporation

Request for Proposal

GOVERNMENT OF JAMAICA MINISTRY OF INDUSTRY, COMMERCE, AGRICULTURE AND FISHERIES Essex Valley Agriculture Development Project

INSTALL PIPELINES AND REHABILITATION OF ROADS AND DRAINAGE INFRASTRUCTURE

INVITATION FOR PRE-QUALIFICATION OF CONTRACTORS

The Government of Jamaica (GOJ) has received financing from the Caribbean Development Bank (CDB) – United Kingdom Caribbean Infrastructure Partnership Fund (UKCIF), in an amount equivalent to £35,515,000 towards the cost of the **Essex Valley Agriculture Development Project (EVADP)** and intends to apply a portion of the proceeds to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of GOJ and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than the GOJ shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

The **Ministry of Industry, Commerce, Agriculture and Fisheries (MICAFA)** is the Executing Agency responsible for the overall implementation of the Project. A Project Execution Unit (PEU) has been established to coordinate the various activities within the Project. The PEU intends to prequalify contractors for the **Install Pipelines and Rehabilitation of Roads and Drainage Infrastructure**. It is expected that Invitations to Bid will be issued in July 2020.

Consideration will be limited to firms or joint ventures of firms which are legally incorporated or otherwise organised in, and have their principal place of business in an eligible country and is either:

- (a) More than 50% beneficially owned by a citizen or citizens and/or a bona fide resident or residents of an eligible country or countries, or by a body corporate or bodies corporate meeting these requirements; or
- (b) Owned or controlled by the government of an eligible country provided that it is legally and financially autonomous and operated under the commercial law of an eligible country and otherwise meets the eligibility requirements of the CDB Guidelines for Procurement (2006).

Eligible countries are member countries of CDB.

The requirements for pre-qualification will include:

- (a) An average annual turnover (defined as billing for works in progress and completed) over the last five years of at least seventeen million, eight hundred thousand United States Dollars (US\$17,800,000);
- (b) Demonstrable cash flow (including access to credit) of two million, two hundred thousand United States Dollars (US\$2,200,000) equivalent; and
- (c) Experience as prime contractor in the construction of at least two assignments of a nature and complexity comparable to the proposed project activity within the last five years, each of a value of at least nine million United States Dollars (US\$9,000,000) (to comply with this requirement, works quoted should be at least 80 per cent complete).

Interested eligible applicants may obtain further information at the Project Execution Unit at the address below, **Monday to Friday from 8:30 a.m. to 4:00 p.m.**

Pre-qualification submissions must be in English and must be submitted by **1400 hours or 2:00 p.m. local time on Tuesday, May 26, 2020**. A complete set of the pre-qualification documents in English may be obtained by interested applicants through the following means:

- Documents may be obtained by prospective bidders by sending requests to the email address: **procurement.evadp@gmail.com**. The email subject must be clearly marked: "Request for Pre-qualification Documents for Install Pipelines and Rehabilitation of Roads and Drainage Infrastructure for the Essex Valley Agriculture Development Project" along with the name, address (including email contact) and contact information of the bidder for which Prequalification Documents are being requested.

There are two options for submitting prequalification information. These are:

- (a) By electronic submission to both email addresses indicated below. The "Subject" field of the email message must read: "Application to Pre-qualify for Install Pipelines and Rehabilitation of Roads and Drainage Infrastructure". The submission will be deemed to have been received at the time that it is received by MICAFA. The burden of proving receipt of the email will be on the applicant and will not be met solely by a read receipt or sent items report generated by the bidder's computer.; OR
- (b) One hard original and three hard copies in a sealed envelope addressed and delivered to the address below. The sealed envelope containing each submission must include the name and address of the applicant and be clearly marked "Application to Pre-qualify for Install Pipelines and Rehabilitation of Roads and Drainage Infrastructure".

Late applications will be returned unopened to the Applicants. MICAFA will not be bound to assign any reason for not pre-qualifying any applicant and will not defray costs incurred by applicants in the preparation and submission of the pre-qualification documents.
