INVITATION TO BID

SUPPLY, INSTALLATION AND COMMISSIONING OF NETWORKING EQUIPMENT AND STRUCTURED CABLING FOR THE JAMAICA CONSTABULARY FORCE (JCF) AND GOVNET CORE

Institution: Inter-American Development Bank
Country: Jamaica
Project: Security Strengthening Project (SSP)
Loan/Credit/Grant No.: JA-L1074
Contract/Bid No.: MNS/SSP JA-L1074/2020/08/ITB-001
Deadline: 14 September 2020

Abstract:

The Government of Jamaica has established a Security Strengthening Project (SSP), funded by a Loan from the Inter-American Development Bank (IDB), the main objective of which is to contribute to an increase in the conviction rate for murders in Jamaica. The strategy to achieve the main objective will be the "specific objectives":

- To assist in the reduction of the rate of murders in the country;
 - To increase the proportion of police investigations of murders that result in prosecution;
- And
- The training of police officers in the use of technology in crime fighting.

The Security Strengthening Project has three (3) components: (i) **Component 1.** Violent crime prevention and management; (ii) **Component 2** – Improving investigative capabilities for homicides; (iii) **Component 3** – Change Management & Communications.

The Project components comprise of activities to benefit and involve the participation of the Ministry of National Security and the following entities within its portfolio:

- The Jamaica Constabulary Force (JCF)
- The Department of Correctional Services (DCS)
- The Firearm Licensing Authority (FLA)
- Passport, Immigration, Citizenship Agency (PICA)
- The Institute of Forensic Science and Legal Medicine (IFSLM)
- The Private Security Regulation Authority (PSRA)

Additional entities outside the portfolio of the Ministry of National Security include:

The closing date for submission of proposals is **Monday, September 14, 2020 at 2:00 p.m.** and must be submitted electronically via the Government of Jamaica's e-GP Procurement system at <https://www.gojep.gov.jm>. Late submissions will not be accepted.

The Ministry of National Security reserves the right not to accept the lowest, or any other tender or to abort the tender process and reject all bids at any time prior to the award of contract without incurring any liability.

The Ministry of National Security intends to apply part of the proceeds to payments under the project Security Strengthening Project (SSP), for the *Supply, Installation and Commissioning of Networking Equipment and Structured Cabling for the Jamaica Constabulary Force (JCF) & GovNet Core.*

The Ministry of National Security now invites suitably qualified vendors to submit bids for:

Supply, Installation and Commissioning of Networking Equipment and Structured Cabling for the Jamaica Constabulary Force (JCF) & GovNet Core.

Scope:

Implementation Objective

The objective of the Supplier is to supply, install and configure all the equipment specified in the bill of quantities and a specification to the extent that it provides the necessary logical connectivity between the intended sites and the existing MPLS Backbone. The supplier is required to develop a detailed network design document, and to provide the training and sensitization of JCF staff with the skillset to manage and maintain the implementation.

The Supplier will:

- Supply all the equipment specified in the bill of quantities and specification.
- Install all the equipment specified in the bill of quantities and specification as per manufacturer's instructions. All installations must be certified.
- Configure all the equipment installed with the provided IP address and information to establish tunnels for the individual Customer Edge locations back to aggregation points and Data Centers over the GovNet MPLS Network
- Develop and execute the quality plan for Installation and testing the deployed network components.

A vendor will be selected in accordance with the procedures set out in the Inter-American Development Bank: Policies for the Procurement of Goods and Works financed by the Inter-American Development Bank GN-2349-9 for International Competitive Bidding. The selection will also be in accordance with the procurement policies of the Government of Jamaica.
