PIOJ
PLANNING INSTITUTE
OF JAMAICA

INVITATION TO SUBMIT PROPOSAL (CONSULTING SERVICES – FIRM SELECTION)

Project Name: Foundations for Competitiveness and Growth Project
Project Activity: FCG/GOJ/CON/42-0- Consultancy for Assessment of and Guidance on the Establishment of a Programme Management Office (PMO) at Planning Institute of Jamaica (PIOJ)

The Planning Institute of Jamaica (PIOJ) is at the forefront of coordinating Jamaica's national development initiatives, including the implementation of various public investment projects. In recent years, Jamaica has made significant strides in public sector transformation, particularly through strategic public investment initiatives. However, a common challenge has been the fragmented approach to project management across various ministries, departments, and agencies (MDAs). Many projects, especially those that are cross-cutting, spanning multiple sectors or development goals, do not neatly fall within the purview of a single MDA. These projects often face delays and inefficiencies due to the lack of a cohesive framework that can coordinate, monitor, and ensure their successful implementation.

Large-scale and multi-sectoral projects in particular have struggled with bottlenecks and issues related to resource allocation which have contributed to delays in implementation. Reports from the World Bank and other development agencies have highlighted concerns about low project completion rates and the need for more structured management frameworks to streamline the process.

In this regard, PIOJ is seeking to engage a consulting firm to analyse and develop the most effective operational framework for a Programme Management Office (PMO) to support select cross-cutting national programmes/projects. The functions of the PMO are envisaged to be:

- Back-office fiduciary and technical support services to facilitate and support implementation of projects which are the subjects of (other) MDAs not having the capacity nor expertise to undertake them.
- Implementation of projects having cross-cutting themes, such as growth, which would not fit within a single MDA.

The intended start date is May 2025 and the anticipated duration is 18 weeks.

The Request for Proposal (RFP) can be accessed at www.gojep.gov.jm or <https://www.pioj.gov.jm/procurement/>. A pre-proposal meeting is scheduled for **March 10, 2025** where interest consultants may seek clarifications to better understand the scope of the assignment, prior to submitting their proposals. Further details for the meeting are provided in the RFP.

The PIOJ now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. A Consultant will be selected in accordance with the Public Procurement Act, 2015, the Public Procurement (Amendment) Act, 2018 and the Public Procurement Regulations, 2018. Proposals must be uploaded on or before **March 21, 2025 at 2:00 p.m.** via the Government of Jamaica Electronic Procurement Portal (www.gojep.gov.jm). No hard copy submission will be accepted. Further information can be obtained at the address below during the hours of **9:00 a.m. to 4:00 p.m.** local time.
