## Development Bank of Jamaica Limited

Facilitating Economic Growth & Development

### Procurement and Implementation of a Loan Management System

The Development Bank of Jamaica (DBJ) now invites eligible consulting firms/Vendors ("Consultants") to submit a proposal for a Loan Management System, that will automate and streamline the entire loan life cycle, including loan servicing, reporting, customer care, syndication, and customer monitoring. This consultancy covers the provision of an off-the-shelf loan management solution, along with testing, piloting, training, and ongoing customer support. The solution must combine the functions of the current information systems and fully deliver on all requirements listed in the Terms of Reference. This is expected to be a completely turnkey solution.
