BADGE OF HONOUR FOR GALLANTRY (BH {G})

Mr Orlando Christopher BROWN

On October 5, 2015, Orlando Brown was inside a house in the Ackee Walk Community of St Andrew when he heard screaming. He ran down the road to investigate and stood on a bridge where he saw a boy being washed away by raging flood waters coming from Mannings Hills Road and leading into the Sandy Gully. He could hear the boy screaming as the water dragged him along.

Orlando decided to try to save the boy, whose cries for help softened his heart. Despite the advice for him to avoid the water and the shouts of warning, Brown was determined to help the child, who by this time had drifted to the middle of the gully and was holding on to an object. After testing the water to determine whether it was manageable, Brown grasped the boy and drew him to land. The rescued boy was rushed to hospital by police who were summoned by a passer-by.

For valiant effort demonstrated on October 5, 2015 in saving a child's life.

Miss Antini Renique HENDERSON

On January 2, 2016 Antini Henderson who attends the Merle Grove High School was at home with her siblings. She was on the veranda when she was alerted by her youngest brother that there was fire inside the three bedroom dwelling house that her family occupied at 209 Spanish Town Road.

Antini hurriedly got her little brother and sister away from the house that was now becoming inflamed. Just at this moment she remembered that her 15 year old mentally challenged sister was sleeping in the back room, where most of the smoke and fire was centred.

Realizing the necessity for swift action and without any consideration for her own safety, Antini ran into the burning building, navigated her way to the back room which at this time was engulfed with fire and thick smoke. It was quite difficult for her to see, nevertheless, she maneuvered her way towards her sister who had inhaled quite a bit of smoke. She shook her then grabbed her by the arm and led her as best as she could, Antini realized that her sister's hand was badly burnt and her nostrils were filled with black ash from the smoke. If it were not for her act of bravery, her sister would not be alive today.

For her act of bravery in saving the life of her mentally challenged sister from a burning house.
