

National Environment & Planning Agency

Specific Procurement Notice
for

**Design and Implementation of an Integrated Watershed Management,
Geographical Information System Decision Support System**

Institution: Inter-American Development Bank

Country: Jamaica

Project: Integrated Management of Yallahs and Hope River Watershed Management Areas Project

Sector: Environment & Natural Disaster

Loan/Credit/Grant No.: JA-G1001

Contract/Bid No.: GRT-FM-14607-JA

Deadline: 27 December 2017

General Procurement notice advertised for this project published in Development Business Online, edition No. IDB508-04/15 of 23-04-2015.

The Government of Jamaica, through the Inter-American Development Bank (IDB), has received financing from the Global Environment Facility (GEF) and it intends to apply part of the proceeds to payments under the Integrated Management of Yallahs and Hope River Watershed Management Areas Project, for the engagement of a Consulting Firm to provide, design and operationalize a software solution that is an integrated watershed management geographical information system, decision support system (IWM GIS-DSS) using data from the Yallahs and Hope River Watershed Management Units as the pilot. On completion of the consultancy, it is expected that the IWM GIS-DSS will:-

- Consist of computer software and hardware, databases, a user interface and information distribution protocols configured to archive and present preformatted datasets to multiple, diverse end users.
- Facilitate analysis, process simulation and modelling.
- Be web enabled so that users can update and access the database's application over the Internet.

The National Environment & Planning Agency (NEPA), executing agency for the project, now invites eligible consulting firms ("Consultants") to indicate their interest in undertaking the **Design and Implementation of an Integrated Watershed Management, Geographical Information System Decision Support System**.

This procurement process requires bidders to have the following specific experience and/or capabilities: Programming tools and writing code for use in GIS Web applications, including Python, Visual Studio, and Database management tools including SQL Server Management Studio. ESRI Arc products including ArcMap, ArcCatalog, ArcSDE, ArcGIS Server, and GPS. Internet and web server/reverse proxy (IIS). Oral and written communication skills to understand written information (including instructions, descriptions, and ideas), and to express such information verbally and in writing so that others will understand and, at times, be convinced or persuaded, Software/web development, GIS skills, Research capabilities, Knowledge of remote sensing or image interpretation, Understanding of watershed management. Education and Experience of Team Leader: Equivalent to graduation from an accredited four-year college or university with major coursework in Environment, geographic information systems, geography, computer science, or a related field, a minimum of 5 years' experience in management and execution of GIS/environmental projects, a minimum of five years professional experience in designing, programming, supporting, and implementing GIS applications particularly. **Education and Experience of Team Members:** Equivalent to graduation from an accredited four-year college or university with major coursework in Environment, geographic information systems, geography, computer science, or a related field, and A minimum of two (2) years' professional experience in designing, programming, supporting, and implementing GIS applications.

The shortlist may comprise national and international consultants.

Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. Expressions of Interest must include Curricula Vitae to show experiences and qualifications and any other literature outlining experience undertaking Design and Implementation of an Integrated Watershed Management, Geographical Information System Decision Support System.

The delivery period is Twelve (12) calendar months after engagement of the consultancy.

A Consulting Firm will be selected in accordance with the Selection Based on the Consultants' Qualification (CQS) as specified in the Inter-American Development Bank's Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank (GN-2350-9), and is open to all eligible bidders as defined in the policies.

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications. For the purpose of establishing the shortlist, the nationality of a firm is that of the country in which it is legally incorporated or constituted and in the case of Joint Venture, the nationality of the firm appointed to represent it.

Expressions of Interest must be delivered in a written form (in English) to the NEPA (in person, or by mail, or by fax, or by email) at the address stated at the end of the document, by **Wednesday, 27 December 2017**.

Evaluation rubric for the expressions of interest (EOI) can be viewed at: www.nepa.gov.jm.

Further information can be obtained at the address below during office hours 08:30 – 16:30.

REQUEST FOR PROPOSAL

(RFP) #: 2017/NET/USAID/SSS/001

For the Consulting Services of a firm for the Development and Production of a Comprehensive Media Campaign on Parenting under the USAID & MoEYI Partnership for Improved Safety and Security in Schools

The Ministry of Education, Youth and Information, in collaboration with the National Education Trust (NET), has received a grant from the United States Agency for International Development (USAID) to implement the USAID & MoEYI Partnership for Improved Safety and Security in Schools Project. A portion of the funds will be used to conduct a mass media campaign which is intended to build awareness and promote pro-social behaviour among school-age children and youth both in school and out of school. Funding under this initiative will be utilised to implement activities to transform schools and their immediate surroundings into safe zones through a multi-layered, multi-sectorial approach, engaging community, parents, public and private partnerships in an effort to ensure a quality education system and raise the bar to benefit all learners, both male and female.

The project is inviting eligible firms ("Consultants") to submit proposals to develop and produce a comprehensive **Parenting Media Campaign**. This consultancy is expected to commence by January 2018 with a duration of 3 months.

Consultant will be selected in accordance with the procedures set out in the GOJ Handbook of Procurement Guidelines (2014). Additionally, all prospective consultants MUST possess a valid Tax Compliant Certificate (TCC). Request for Proposal can be obtained by sending an email to: procurement@net.org.jm

Eligible firms ("Consultants") are invited to submit proposals by **Tuesday, December 12, 2017 at 4:00 p.m.** to the address below:

**PRIVATE & CONFIDENTIAL
Parenting Media Campaign
National Education Trust
Grant Building
Caenwood Centre
37 Arnold Road
Kingston 5**
