**e-Learning Jamaica Company Limited (e-LJam), an Agency of the Ministry of Science, Energy and Technology (MSET), is a limited liability company established to manage e-Learning projects in collaboration with Government Ministries, Departments and Agencies. The projects are funded by the Universal Service Fund. The first project was implemented in partnership with the Ministry of Education, Youth and Information (MOEYI) and focused on enhancing Jamaica’s high schools and teachers’ colleges, by providing digital content for CXC subjects, audiovisual and computing technology, and training teachers and lecturers in Basic ICT as well as the integration of technology in instructional delivery.**

**e-LJam and the MOEYI are now focusing on the pre-primary and primary schools across the island to implement a Tablet in Schools project (TIS), utilising tablet devices and other supporting technology to enhance the teaching and learning process. The project is again being funded by the Universal Service Fund. The TIS project will be commencing September 2017, and e-LJam is seeking suitably qualified partners to supply and support approximately 91,000 tablets with associated charging/syncing carts, syncing software and services in up to 1,100 education institutions over an 11 year period.**

**REQUIREMENTS (Summary)**

- **Tablets** should be minimum 8-10 inches in screen size with high resolution displays with capacitive type touch technology and smart protective cases
- **Tablets** should be robust, available in standard and child coloured versions and accommodate custom locking mechanisms to help with identification and security warnings
- **Charging/ syncing** carts for storage, recharging and refreshing content of the tablets
- **Syncing** software for carts and tablets, compatible with computer running windows 10
