REGISTRATION AND TRAINING AVAILABLE FOR USE OF THE GOVERNMENT OF JAMAICA ELECTRONIC PROCUREMENT SYSTEM

In keeping with the Government's commitment to strengthen and promote Public Procurement, the Ministry of Finance (MOF), Procurement and Asset Policy Unit (PAPU) is on a drive to expand the use of the Government of Jamaica Electronic Procurement System (GOJEP) to its suppliers of goods, services and works. This is keeping with the commitment of the Government to all procurement opportunities published and managed through GOJEP by 2018.

Suppliers are being urged to register their businesses in GOJEP and take advantage of the free training sessions facilitated by the Ministry of Finance and the Public Service in the use of the system.

Registration is easy, simply download and read the User Manuals, accessible from the User Manuals link on the Home page: at www.gojep.gov.jm.

For additional information, please call the Public Procurement Customer Care Help Desk numbers: (876) 932-5220/932-5251/932-523 or by sending an email to: papucustomer@mo.f.gov.jm.

GOJEP – using technology as a tool to increase transparency, competition and efficiency enabling an easy way of doing business with the Government of Jamaica.

Expressions of Interest ENVIRONMENTAL AND SOCIAL RISK MANAGEMENT SYSTEM CONSULTANT

The Development Bank of Jamaica (DBJ), in partnership with the Caribbean Development Bank (CDB), seeks to identify qualified Consultants to design and establish an Environmental and Social Risk Management System (ESMS) appropriate to our operations, as well as train staff in its use.

The objective of this assignment is to improve the institutional capacity of DBJ to assess and manage environmental and social risks in its project appraisal and supervision processes.

The main responsibilities of the Consultant will be:

1. Review the national legislative and administrative framework (national environmental and social policies, legislation, and related) relevant to the development and application of environmental and social safeguards for DBJ's operation.
2. Review the investment portfolio and pipeline to determine the environmental and social issues that arise during project appraisal and implementation which are significant to the business processes and which must be factored into the design of an appropriate ESMS to ensure compliance.
3. Prepare a Draft Environmental and Social Safeguards Policy (ESSP) for consideration and approval by DBJ's Board of Directors.
4. Prepare a Draft Environmental and Social Operations Manual and implementation guidelines.
5. Develop training materials and deliver a training workshop to DBJ technical staff on the application of the ESSP and operational procedures in DBJ's investment operations.
6. Develop a Draft ESMS Implementation Plan.

MINIMUM REQUIREMENTS

The Consultant submitting proposals should meet the following criteria:

- Postgraduate qualifications in environment and social management or a related field.
- A minimum of ten years' working experience in the areas of environmental management and social development as well as the conduct of environmental and social impact assessments.
- Excellent organisational and communication skills. Specific experience in the Caribbean context is desirable.
- Experience in development banking would be an asset.
- Tax Compliance Letter (TCL).

The DBJ & CDB invites interested consultants to submit their résumé/profiles to demonstrate their experience/expertise in designing and establishing an Environmental and Social Risk Management System for both public and private sector organisations.

Please submit proposals in hard or soft copies no later than **4:00 p.m. on Thursday, August 31, 2017**, to the address below. In the case of electronic submission, the subject line should read "Professional Profile for Environmental and Social Risk Management System Consultant"; the file size should not exceed 8 mb. **Late applications will not be accepted.**
