

The Ministry of Finance and Planning, Procurement and Asset Policy Unit (PAPU) Frequently Asked Questions is an editorial feature that will seek to address Procurement issues and provide a response and clarity to those issues raised.

Government Procurement is defined as the acquisition of goods, works and services utilizing the public funds.

There are ten principles that govern the GOJ procurement.

- They are:
1. Value for Money
 2. Economy
 3. Efficiency
 4. Equity
 5. Fairness
 6. Transparency
 7. Accountability
 8. Reliability
 9. Competition
 10. Integrity
