Procurement Reference – NCB # 2015/2.1i/SBD-W: AMENDED

JAMAICA
ENERGY SECURITY AND EFFICIENCY ENHANCEMENT PROJECT
ENERGY SECTOR
Procurement of Works
Loan/ Project # 8007JM/P112780

TITLE: CONSTRUCTION & ENGINEERING WORKS FOR BUILDING MODIFICATION AT BUREAU OF STANDARDS JAMAICA

The Government of Jamaica (GoJ) has received financing from the **International Bank for Reconstruction and Development (IBRD)** towards the cost of the **Energy Security and Efficiency Enhancement Project (ESEEP)**. This project is being implemented by the Ministry of Science, Technology, Energy and Mining (MSTEM), the executing agency in collaboration with several other state implementing partners. The GoJ intends to apply part of the proceeds toward payments under a contract to provide the Bureau of Standards with Construction & Engineering Works for Building Modification which will result in the expansion of its Energy Efficiency facility.

The Bureau of Standards Jamaica (BSJ) as one of the implementing arms of the MSTEM intends to use the data emanating from the expanded energy efficiency testing and labelling capacity to fuel a public education campaign that will encourage Jamaican households and commercial entities to purchase highly energy efficient appliances and for GoJ to formulate incentives for consumers to purchase these high energy efficient appliances which cost more than the energy inefficient models.

Scope of Works

The scope of works shall include the modification of existing building space to produce an integrated Expanded Energy Efficiency Facility comprising a new 10-test station refrigerator & freezer test laboratory, a refurbished existing 6-test station refrigerator & freezer test laboratory, a new room air conditioning unit test (balanced calorimeter) laboratory, a control room / office for each laboratory and an appliance storage/test preparation room. Contractor supplied material, handling, transportation, labour and on-site supervision will be required for this work.

INVITATION

The Ministry of Science, Technology, Energy and Ministry (MSTEM) now invites sealed bids from eligible and qualified bidders at the level of the National Contracts Commission list of **Grade 1 or 2 Building Construction** to undertake the **Construction & Engineering Works for the Building Modification** at the BSJ. Bidders shall demonstrate through documentation:

- Access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments to meet the following cash-flow requirement:
 - Acquisition of construction materials for the first four (4) weeks of the contract.
 - Payment of workers for the first four (4) weeks of the contract.
 - The overall cash flow requirements for this contract of US \$100,000.00.
- Minimum average annual turnover of 1 time the cost of this bid, calculated as total certified payments received for all contracts in progress or completed, within the last three (3) years.
- Contractual experience in the role of contractor, subcontractor, or management contractor for at least the last **three [3] years prior** to the applications submission deadline, and with activity in at **least nine (9) months** in each year.
- Participation as contractor, management contractor, or subcontractor, in at least two (2) contracts within the last **three (3) years**, each with a value of at least **US one hundred & twenty thousand dollars (\$120,000.00)**, that have been successfully and substantially completed and that are similar to the proposed Works. The similarity shall be based on the physical size, complexity, methods/ technology or other characteristics as described in Section VI, Employer's Requirements.

Bidding will be conducted through the National Competitive Bidding (NCB) procedures specified in the World Bank's **Guidelines: Procurement under IBRD Loans and IDA Credits**, and is open to all bidders from Eligible Source Countries as defined in the Guidelines.

A complete set of amended bidding documents in English is available on the MSTEM's website, <http://www.mstem.gov.jm> as of **Tuesday, June 02, 2015**. Bidders seeking clarification/further information to the Invitation to Bid should send an email to ibrdeseep@mstem.gov.jm, or fax 876-929-2082 or mail to the address below no less than ten (10) days before the final submission date for the bid.

A valid copy of a National Contracts Commission (NCC) Registration (Grade 1 or 2-Building Construction) and Tax Compliance Certificate (TCC) must be submitted with each bid.

One (1) original and five (5) copies of the proposal must be delivered no later than the following date and time **3:00 p.m. EST, on Wednesday, June 24, 2015**. The opening of the Bid is scheduled for **3:15 p.m. Wednesday, June 24, 2015** at PCJ Resource Centre, 36 Trafalgar Road, Kingston 10 in the second floor Conference Room. All bids must be accompanied by a **"Bid-Security of Six Hundred Thousand Jamaican Dollars (JA\$600,000.00)"** or an equivalent amount in a freely convertible currency. **If bidders are interested in a site visit, it will be accommodated before June 10, 2015.**

Interested Bidders should submit their bids to:

The Procurement Officer
Energy Security and Efficiency Enhancement Project
Ministry of Science, Technology, Energy & Mining
PCJ Resource Centre
36 Trafalgar Road,
Kingston 10
